Representation made by Messrs. G. Sankara Setti and Nagarajaiya of Pavagada Taluk at the Birthday Session of the Representative Assembly of June 1932, regarding the remission of assessment on lands served by channels and hallas.

2. Letter No. C. 4171—31-32, dated the 2nd June 1932, from the Revenue Commissioner in Mysore, stating that the concession shown regarding remission of wet assessment in respect of tanks and talapariges in Government Order No. R. 14-25—L. R. 149-24-74; dated the 3rd October 1925 and Government Order No. R. 402-04—R. M. 6-29-115, dated the 19th July 1930, respectively cannot be extended to lands served by channels and hallas, as the assessment levied on them is only slightly higher than the highest dry rate levied in the locality.

3. Un-official Note No. C. 4171—31-32, dated the 25th June 1932, from the same Officer on the subject.

ORDER No. R. 466-68—L. R. 397-31-19, DATED BANGALORE, THE  
20TH—21ST JULY 1932.

As the channels and hallas are a more precarious source of water supply than tanks or talapariges, Government are pleased to direct that the lands served by them be given the same relief in the years when the supply fails or is inadequate, subject to the same conditions as in the case of lands under tanks. The remission to be allowed shall not in any case exceed the difference between the wet assessment levied on the particular land and the highest dry assessment prevailing in the locality.
